

## CRCP Key Watersheds

Jurisdiction	Key Watershed	WMP Meets EPA's A-I Criteria	Notes
American Samoa	Aua	Funded in FY21 and currently under development	Watershed Coordinator is not site specific. Technically part of the greater Pago Harbor area, but frequent flushing.
CNMI	Achugao	Under development	Watershed Coordinator is not site specific.
Guam	Manell-Geus	Funded in FY21 and currently under development	Watershed Coordinator is not site specific. Some water quality monitoring for sediment loads, turbidity and nutrients has been conducted in the watershed. A comprehensive baseline assessment has not yet been carried out.
Hawaii	West Maui	<a href="#">Yes</a>	Dedicated Watershed Coordinator. Site selected as USCRTF priority in 2010.
Florida	Government Cut	Funded in FY22 and planning will commence later this calendar year	Some watershed coordination services provided by FL DEP LBSP Coordinator. Nutrient monitoring, priority for WMP Development. In Biscayne Bay HFA. Important watershed for FKNMS, AOML, NMFS and FDEP coral reef conservation efforts.
Puerto Rico	Culebra	<a href="#">Yes</a>	Watershed coordination services provided by Protectores de Cuencas.
USVI	St. Croix East End Marine Park	<a href="#">Yes</a>	Watershed Coordinator is covered by EEMP staff. Pore Water toxicity testing of sediment samples has been conducted.

## CRCP Key Marine Protected Areas

Jurisdiction	Key MPA	Fisheries Management Regulations	Near Key Watershed?	Current or Planned Restoration Site?
American Samoa	Fagamalo Village MPA	No-take, except villagers	No	No
CNMI	Managaha Marine Conservation Area	No-take	Yes, Achugao	Yes
Guam	Piti Bomb Holes Marine Preserve	No-take, except special permits for seasonal fishing of mañahak, atulai, ti'ao and ie'	No	Yes
Hawaii	Kahekili Herbivore Fisheries Management Area	Prohibits injuring, killing, or possessing fish from families Kyphosidae, Scaridae, and Acanthuridae, or sea urchins	Yes, West Maui	No
Florida	FKNMS Sanctuary Preservation Areas - Iconic Reefs and Control Sites (Carysfort Reef & Elbow Reef, Looe Key & American Shoal, Sombrero Key & Delta Reef, Eastern Dry Rocks & Sand Key)	No-take	No	Yes
Puerto Rico	Canal Luis Pena Natural Reserve	No-take	Yes, Culebra	Yes
USVI	St. Croix East End Marine Park	Multiple use with no-take areas	Yes, STXEEMP	Yes

## CRCP Key Fisheries Taxa

Key Taxa	Jurisdictions with Active Management of Key Taxa	Interact Directly with Coral Habitat	In need of Assessment and/or Life History Information
Parrotfish Families	AS, CNMI, GU, HI, PR, USVI	Yes	Yes
Surgeonfish Family	AS, CNMI, GU, HI, PR, USVI	Yes	Yes
<i>Lachnolaimus maximus</i>	FL, PR, and USVI	Yes	Yes
<i>Lutjanus griseus</i>	FL, PR, and USVI	No	Yes
